

Virtual Networking

The 2020 DISCOVER Summit Virtual Networking event is intended to bring small diverse groups together in informal breakout rooms to share career experiences and form connections that will last beyond the summit.

-
- You will get to interact with **12 different industry leaders and peers** across **3 unique breakout rooms**
 - Each breakout room will be **15 minutes in length**
 - Zoom administrators will help navigate you to each of your breakout rooms
 - An exclusive meeting link will be shared via email, a day prior, to connect to the breakout session
 - Each breakout room will have groups of **5 people from diverse backgrounds**
 - Please turn on **video cameras**, and feel free to pick a fun background
 - Feel free to leverage the **icebreaker questions** to guide conversation and **form connections** with your group!
